Hi Luis,

My staff and I have been trying deliberately to avoid any contact or conversation with a specific Kinder teacher on campus.

However, I think it is necessary for you to have a discussion with Mrs. Descanson.

Two weeks ago she shouted and called me a “vendido” as she arrived to campus at 8am. I was simply standing at the entrance welcoming in students.

Today at 8am she accosted me and Ms. Banks as we stood waiting for a student arriving late. She aggressively yelled “Don’t you have an office?! Why are you even here without kids?”

We would genuinely appreciate it if you can address this language and disrespect with Mrs. Descanson. Our community has only been polite and considerate toward your staff. We only ask the same in return.

Sincerely,

Ruben
